 - Every student has the right to wear a mask at all times if they wish; however, be advised that some classes leave it up to the individuals so if you're not comfortable with that you may need to take a different class. We have tried to structure things to accommodate everyone's needs and desires during our new normal.
- Online registration
 - Go online to Redriverobedience.org, complete/submit registration form, print and bring exact cash or check to orientation. (online payment can also be made) OR
 - Redriverobedience.org and print out your application to submit in person and bring exact cash/check with completed application to orientation.
 - The two above steps will help us eliminate waiting in groups and cross handing of supplies.
 - Bring your dogs shot records
 - IF YOU REGISTER/PAY ONLINE, PLEASE BRING A PRINTOUT OF PAYMENT AND APPLICATION WITH YOU TO SPEED UP PROCESS.
 - Specific questions concerning which class you should be in can be answered night of orientation or found on our website per the class.

- Each class instructor will have a printed version of orientation and basic class needs/details. The same information can also be found on Redriverobedience.org under “classes” choosing your class.
- Each instructor will and can modify each class based on our current “covid” guidelines as we are trying to have fun with our pups and keep others safe.
